## Custom

All of our designs are unique to Run Run Studio, Inc. This allows us to offer customized dimensions within our line. If you need a bench or table customized, please contact us, our turn around time is usually six to eight weeks. We offer a variety of finishes, including our Hand Applied Patina as well as our Burnt Metal finish.

Hand Applied Patina Sample

Burnt Metal Sample

Our unique custom patina finish has become a signature of Run Run Studio, Inc. This warm patina is most evident on the table tops, it is a beautiful finish, rich in color and depth.

**Please note that due to the custom nature of this unique finish our patina pieces are priced higher than the our other finishes .**

# RUN RUN STUDIO

2008

Run Run Studio, Inc is one of the few artisan based furniture manufacturers, producing original sculptural and classically designed pieces for the home. Our classic steel tables, settees, chairs and accessories are individually created to meet the highest standards of quality. We employ unique techniques and traditions to bring you the very best in home furnishings.
